Strongly support the funding for Kānewai Spring and oppose the suggested amendment to delete the funding under the proposed draft FD1 by Councilman Ozawa. Kanewai Springs is designated one of the top endangered sites in Hawai'i in 2015. Through the ongoing encouragement of the community and the Maunalua Fishpond Heritage Center, they succeeded in gaining access rights to mālama this wahi pana, and their continued stewardship paved the way for the landowner to agree to sell the property to the Trust for Public Land so that Kānewai Spring would be protected in perpetuity. There are few springs that O'ahu can boast about given that many have been damaged or rolled over by construction of buildings. Please heed the community's support for Kanewai Springs. Keep the budget for it.
